CHANGING THE WORLD International President Programme

Bringing Out the Best in Others

Lifting others up is what she does.

Dr. Patti Hill is an accomplished teacher, administrator, psychologist and small-business owner. But it isn't her impressive

resume that she'll mention when you ask what's important to her.

"The purpose of my life on this earth is to help others achieve their potential. If I'm not doing that, I should be!"

Dr. Hill makes it her mission to find the potential in others and to create an environment that helps them thrive. "I always see the good in people," she says.

Every step in Dr. Hill's career was made because she believed in doing her part to ensure others could achieve their dreams. When she was asked to teach special education in secondary school, she agreed and then promptly enrolled in a master's program focusing on teaching the deaf and hard of hearing.

While she was a young teacher, Dr. Hill's uncle Eddie, who was deaf, had shared stories with her about the difficulty of traveling to distant boarding schools to be educated. Even then, he wasn't allowed to use sign language in school.

She hoped she could make education better for students like her uncle.

While working as a teacher of deaf students, Dr. Hill was presented with the results of student testing performed by school psychologists. They informed her that although the students did well in visual perception, they scored low in verbal skills. Stunned, Dr. Hill used American Sign Language as she responded, "You didn't even sign to them!"

She knew her students couldn't achieve their full potential if they couldn't even use their primary source

Change doesn't happen all at once. It happens through many small choices. With every act of kindness, we change a life. With every Lions club and Leo club, we change a community.

**When we change our communities,
we change the world.**

of communication. She didn't want the same thing to happen to them that had happened to her uncle Eddie, so she began taking psychology classes to create a better way to assess students.

Classes eventually turned into a doctorate degree, and now she's a licensed psychologist.

Dr. Hill served for a time as principal at a specialty school for children with severe speech and language development challenges in Edmonton, Alberta, Canada. She also started a consultancy business using her knowledge and experience to help government agencies design and implement better programs for children, youth and their families, which she's been running for more than 40 years.

Dr. Patti Hill devoted her life to making the world a better place. Along the way, she found Lions.

Actually, Lions found her.

Making the World a Better Place

It turned out that Dr. Hill's business partner was married to a Lion. When district Lions organized a project to help fund cochlear implants for those in need, they wanted someone with knowledge of the deaf community, so they turned to Patti for guidance. Of course, she was happy to help.

When Dr. Hill became the founding principal of The Heritage School, Lions wanted to return the favor.

"What do you need?" they asked.

Dr. Hill was happy to have Lions' help, but she didn't expect them to keep coming back.

But the Lions persisted.

In fact, they asked her to become a Lion. More than once. There was no question her life was already busy. In addition to her business and her job as principal, she was finishing her Ph.D. and expecting her first child.

LIONS INTERNATIONAL

District 3234 D2
L. Y. 2023 - 2024

Even so, she couldn't turn them away.

In 1990, she joined the Edmonton Host Lions Club. She soon realized her club was more than just a local club; it was a critical part of a global association of clubs just like hers that were serving in nearly every country on earth.

Being a Lion was the perfect way to do what she had always wanted to do—make the world a better place.

One of her first projects showed Dr. Hill just how powerful being a Lion can be. The hospital in Edmonton didn't have a dedicated pediatric operating suite. This meant every time a child required surgery, the equipment had to be manually adjusted to accommodate these young patients. This added more complexity and discomfort to an already harrowing experience for children and their parents. Dr. Hill and her club asked how much it would cost to build a specialized operating suite for children. The response? Three hundred thousand dollars.

"And we did it," she says. With the help of LCIF, they raised every penny. "That's when I knew that Lions could have real impact."

When she attended her first multiple district convention, she realized that the impact wasn't limited to Edmonton.

As she walked around the venue and saw the displays of all the projects Lions had done that year and heard the conversations taking place, she realized the scale of it all. That's when she knew she was part of something much bigger than she could've imagined.

"I get it now," she said. Dr. Hill realized Lions weren't just changing their communities, they were changing the world.

Changing the world is what she is focused on as our international president.

We're here to make the world a better place. It drives every decision I make."

Changing the World

There's an old saying - It's the journey, not the destination.

Changing the world is a journey.

There's no middle and no end.

There is, however, a beginning.

With every small act of service, you contribute one step towards change. It's up to each of us to simply begin. Like rain filling a bucket, we can change the world one drop at a time.

In fact, we are all changing the world with every decision we make. Truly meaningful changes will occur when we are intentional about the *kind* of changes we want to make. When we strive to make positive changes—in our lives and in the lives of others—we put *good* into the world.

when we are intentional about the *kind* of changes we want to make. When we strive to make positive changes—in our lives and in the lives of others—we put *good* into the world.

Lions have been doing our part to change the world for more than 100 years. In every project we do, with every donation we make, we contribute to positive change in our communities. As we fill our own buckets, our communities rise with us.

We are all connected. When we see that connection, boundaries and barriers disappear.

We realize that while global challenges may seem daunting, there is always a place where we can begin. The place is here. The time is now.

Our world is a beautiful place. Let the rain fall. Drop by drop, fill your bucket. Help those around you fill theirs. Every day, in big ways and in small, let's serve to make our world an even better place for all.

"If people truly understood the good they could do as Lions or Leos, they'd be lining up to serve with us. We must show them what we do, and that they can change the world too."

Change Begins One Step at a Time

We change the world one life, one relationship, one community at a time.

Here are some great ways to get started.

Create a greener, cleaner environment.

Protecting and improving our environment is a great way to engage with our communities. By helping to protect and restore our natural resources, we can literally change the world. Let's act boldly, and let's act now.

Share your story with the world.

Developing great marketing skills can help you tell the world who you are and what you do. Social media and local media, and online and offline marketing give you new ways to tell your stories. Shine a light on your club and invite your community to be a part of the change as Lions and Leos.

Reach your service potential.

People want to be a part of something that matters. So set service goals that push your capacity and create

opportunities for even more impact with new members. Find ways to ensure your club is inclusive and welcoming to all.

Empower even greater good.

Our foundation empowers us to do so much more than we can do alone. LCIF enables us to think big and undertake projects that can truly change the world. So, support LCIF, and let LCIF support you.

Believe in Yourself

To change the world, we first must believe change is possible.

Here are some key steps that can help you face the challenges ahead.

Be brave.

In the causes you tackle and in the work that you do, don't shy away from something that may seem too difficult. You're up to the task and other Lions are here to support you. So take that bold first step.

Invest in the future.

We all have a reason to invest in the future, and young people may be uniquely positioned to help us create change. We are better able to deal with the issues facing our communities when they're at the table with us. Let's invite the next generation of global leaders to serve with us as Lions.

Collaborate.

We do our best work as a team. Work with community leaders, other service organizations, and each other to address the biggest problems facing your communities. Collaboration makes change happen faster.

Lead the way.

Lions and Leos lead by example. We show the world what is possible when people care about their communities and when kindness is the goal. Lead the way, and others will join you.

I believe in Lions. I believe in Leos. I'm here to support you, every step of the way.

INTERACTIVE WHITEBOARD / E-BOARDS / SMART INTERACTIVE BOARD

Interactive whiteboards allow children to interact with the learning material. They become a part of the lesson and can even teach each other. Their understanding of the subject is seen through touching, drawing, or writing on the board. Educational games can be played by the entire class.

Interactive whiteboards are an effective tool that allows teachers to engage their students in the lesson, making learning more fun, creative, and interesting.

Using the interactive whiteboards, teachers can show images, presentations, and videos to the whole class at the same time.

It fosters active engagement and accountability of the students and promotes students' retention and learning of the material presented during the lecture. It also gives students practice in developing critical thinking skills and enables instructors to assess how well the class is learning that day.

The interactive whiteboards also allow teachers to connect to the internet and project images on virtually any topic, a great benefit to visual learners. Students learn how to use new technology skills or sharpen their existing skills.

It promotes collaboration among students and group discussion and participation. They are an effective tool for brainstorming.

Thus, the three major components of interactive learning techniques are engagement, interaction, and feedback.

E-boards, also known as interactive whiteboards or smart boards, are the one of the most prominent Signature activities of the District Governor this year.

These boards play a crucial role in enhancing the learning experience and improving teachers' lives. By fostering collaboration, students become active participants, leading to increased engagement, and understanding. The ability to share files and access online resources empowers educators to enrich their lessons with up-to-date information and interactive content. Educational software on e-boards aids in conveying complex concepts effectively. Real-time assessment offers instant feedback, enabling timely interventions to address learning gaps. Moreover, e-boards promote environmental sustainability by reducing paper usage. Overall, these innovative tools create dynamic, technology-driven classrooms that pave the way for a more effective and modern education system.

Your club can also participate in this activity.

The total cost of Smart Interactive Board is Rs. 105000

Once you shortlist the school for each E Board your club needs to contribute ₹40000, school should contribute ₹40000 and our District will share ₹25000. We request each club to take active participation in this activity. For further details you can contact us

DISTRICT GOVERNOR'S SIGNATURE PROJECT

LIONS DENTAL CLINIC

1. Introduction - The Lions Dental Clinic (LDC) is a proposed permanent project initiated by the District Lions Clubs and duly supported by PDG Deepak Shah Ji. The objective of this project is to address the alarming spread of dental diseases in our community, particularly among needy and underprivileged individuals. The LDC will be operated under a club and district partnership model, overseen by Lions 3234 D2 Charitable Trust, with a committee of five Lions members from the sponsor club appointed to manage the clinic's operations. The primary focus of the LDC will be to provide dental services at highly concessional and affordable prices to individuals in slum areas and underprivileged communities.

2. Objectives - The key objectives of the Lions Dental Clinic are as follows:

- a) **Promoting Oral Health:** To promote oral health awareness and provide essential dental services to underprivileged individuals, helping them achieve better dental hygiene and overall well-being.
- b) **Addressing Dental Disease:** To combat the spread of dental diseases in our community by offering regular check-ups, treatments, and preventive measures.
- c) **Affordability and Accessibility:** To ensure that dental services are accessible to all, the clinic will operate at highly concessional rates and be strategically located in or near slum areas and underprivileged neighborhoods.
- d) **Long-term Commitment:** To establish a long-term dental care facility that will serve the community for years to come, helping to alleviate dental health issues.

3. Location - The proposed Lions Dental Clinic requires a space of 200 to 300 sq ft. The ideal location for the clinic would be in a slum area or near an underprivileged community to ensure convenient access for those in need. By situating the clinic in such areas, we can effectively approach and provide assistance to those who require dental care the most.

4. Partnerships - The Lions Dental Clinic will operate on a club and district partnership model. Interested Lions clubs with a minimum of 5-year commitment to the project can send an intention letter expressing their willingness to participate in establishing and running the LDC. The clinic's management and overall supervision will be undertaken by the district to ensure smooth functioning and adherence to the project's objectives.

5. Funding and Resources - To ensure the sustainability of the Lions Dental Clinic, a combination of funding sources will be explored:

- a) **Sponsorship and Donations:** Seeking support from local businesses, philanthropists, and community members who believe in the cause and want to contribute to the betterment of dental healthcare in the community.
- b) **District Lions Clubs:** Active involvement and contributions from District Lions Clubs, enabling efficient management and continuous support for the clinic's operations.
- c) **Lions 3234 D2 Charitable Trust:** The trust will play a crucial role in overseeing the financial management of the LDC and coordinating fundraising efforts.

6. Clinic Operations - The Lions Dental Clinic will be staffed by qualified dental professionals, including dentists, dental hygienists, and support staff. The clinic will offer a range of dental services, including but not limited to: Dental Check-ups Basic Dental Treatments (fillings, extractions, etc.), Dental Cleanings and Scaling Oral Health Education and Awareness Programs, Preventive Measures (fluoride treatments, sealants, etc.)

7. Public Awareness Campaign - To ensure that the target community is aware of the existence and benefits of the Lions Dental Clinic, a comprehensive public awareness campaign will be conducted. This campaign will include:

LIONS INTERNATIONAL

District 3234 D2
L. Y. 2023 - 2024

8. Evaluation and Monitoring - To gauge the effectiveness and impact of the Lions Dental Clinic, regular evaluations and monitoring will be conducted. Key performance indicators (KPIs) such as the number of patients served, the types of treatments provided, and patient satisfaction levels will be assessed periodically. Feedback from the community and stakeholders will also be actively sought to improve the clinic's services continually.

The establishment of the Lions Dental Clinic represents a significant step in addressing the dental health challenges faced by the underprivileged sections of our society. By uniting various Lions clubs and partnering with the district, we aim to create a sustainable and impactful initiative that will positively affect the oral health and overall well-being of those in need. We appeal to all Lions clubs to actively participate in this noble endeavor and join hands in opening new LDCs across the district. Together, we can make a lasting difference in the lives of our fellow community members.

PRO - MESSAGE

Dear Club President and Secretary,

We are truly delighted to meet you all through this column. We warmly congratulate you for your election to these important posts of the Club. It is your united efforts that would take your Club to the forefront in District Administration and in carrying out various need based activities for the needy people. We wish you all the best in your endeavour.

Our this year's leader who is a true Lion and a sincere social worker Lion Vijay Bhandari has many innovative ideas and plans to implement and through his inspiring slogan **Be The Change**. He wants to give importance towards need based activities for the poor and downtrodden. His 6 point programme "**The Game Changer**" would amply guide you as to how you can excel in your administration and activities.

Any organization whether it is a social or business, Public Relation should be very strong. It is PRO team which brings people closer to the organization through its informative leaflets, bulletins and handouts. Hence it is very necessary that PRO of every Club should bring out their Club Bulletin periodically so that the general public can know what the Lions Clubs are doing, who all have benefitted in these work etc.

Soon the PRO team would convene a PRO Seminar and Workshop under the able guidance of our District Governor. This seminar would help you to get updated knowledge from some eminent faculty members. Please attend this Seminar with your Club officers which would be highly beneficial for your working.

Friends, you will agree to the fact that Scrap Book is the mirror which reflects the true image of a Club and this is the main reason why every year we have Scrap Book competition at Multiple and District levels. Scrap Book would explain the various work of the Club and also the achievements it has excelled. To compile this important book, you should start working from the day one. Start keeping an extra copy of all your circulars, activity photos with narration, news paper coverage clippings etc. for your scrap book. The rules and regulations of preparing a Scrap Book are explained in this book and follow correctly and come out with your elegant and excellent Scrap Book. The Scrap rules are as per guidelines laid down by Multiple District 3234D2. The Scrap Book would be judged as per its contents from the Region level District level to Multiple levels. Which means if your scrap book meets all requirements of the rules and regulations, it can win a prize even at Multiple Level which would be a proud moment for your Club. Yes, Lions, start preparing now be a winner always.

Our PRO team would be always available for your assistance and you can always approach us for any clarification. We are sure our united work would always yield desired results and reach us to achievements of glory throughout. Let us join our hands to realize **Be The Change** in totality through "**The Game Changer**" programme.

LIONS INTERNATIONAL

District 3234 D2
L. Y. 2023 - 2024

OBJECTS

TO CREATE	and foster a spirit of understanding among the people of world.
TO PROMOTE	the principles of good government and good citizenship.
TO TAKE	an active interest in the civic, cultural, social and moral welfare of the community.
TO UNITE	the clubs in bonds of friendship, good fellowship and mutual understanding.
TO PROVIDE	a forum for the open discussion of all matters of public interest, provided, however, that partisan politics and sectarian religion shall not be debated by club members.
TO ENCOURAGE	service-minded people to serve their community without personal financial rewards and to encourage efficiency and promote high ethical standards in commerce, industry, professions, public works and private endeavours.

LIONS CODE OF ETHICS

TO SHOW	my faith in the worthiness of my vocation by industrious application to the end that I may merit a reputation for quality of service.
TO SEEK	success and to demand all fair remuneration or profit as my just due, but to accept no profit or success at the price of my just due, but to accept no profit or success at the price of my own self-respect lost because of unfair advantage taken or because of questionable acts on my part.
TO REMEMBER	that in building up my business it is not necessary to tear down another's to be loyal to my clients or customers and true to myself.
WHENEVER	a doubt arises as to the right or ethics of my position or action towards my fellow men, to resolve such doubt against myself.
TO HOLD	friendship as an end and not a means. To hold that true friendship exists not on account of the services performed by one to another, but that true friendship demands nothing but accepts service in the spirit in which it is given.
ALWAYS	to bear in mind my obligations as a citizen to my nation, my state and my community, and to give them my unswerving loyalty in word, act and deed. To give them freely my time, labour and means.
TO AID	other by giving my sympathy to those in distress, my aid to the weak and my substance to the needy.
TO BE CAREFUL	with my criticism and liberal with my praise to build up and not destroy.

FLAG INVOCATION

We salute our National flag and pledge our allegiance to the same. Its honor and glory depends upon the zeal and assiduity with which each one of us shoulders his responsibility as good citizen. It's history, written in letters of gold, inspires us to put in good work for the fair name of our country. We declare our unflinching loyalty to our National Flag and maintain that its course shall be our course and that each individual amongst us shall make genuine efforts to add to its luster and glory and make it fly proudly and high in the comity of Nations. Jai Hind !

ध्वज अभिवादन

हम अपने राष्ट्रध्वज को नमन करते हैं, और इसके प्रती अपनी दृढ निष्ठा प्रकट करते हैं । इसका सन्मान और गौरव हममें से प्रत्येक के द्वारा उत्साह एवं तत्परता के साथ राष्ट्र के अच्छे नागरिक का उत्तरदायित्व वहन करने पर निर्भर है । स्वर्ण अक्षरों से लिखा इसका गौरव पूर्ण इतिहास अपने देश के उज्वल नाम के लिए अच्छे कार्य करने की प्रेरणा करता है । हम अपने राष्ट्र ध्वज के प्रति अपनी अखंड भक्ती प्रकट करते हैं और निश्चय करते हैं कि इसका मार्ग ही हमारा मार्ग होगा और हममें से प्रत्येक व्यक्ति इसका तेज एवं किर्ती बढ़ाने और इसे जगत् के राष्ट्रों में गौरव एवं भातृत्व के साथ लहराने के लिए सच्चाई से प्रयत्नशील रहेगा । जयहिंद !

ध्वज – वंदन

आम्ही आमच्या राष्ट्र ध्वजाला प्रणाम करतो आणि या ध्वजाशी एकनिष्ठ राहू अशी आम्ही प्रतिज्ञा घेतो. आपल्यापैकी प्रत्येकाने जबाबदार नागरिकाची कर्तव्ये तळमळीने व दीर्घाउद्योगपूर्वक पार पाडली पाहिजेत कारण त्यावरच या ध्वजाचा सन्मान नि वैभव या गोष्टी अवलंबून आहेत. आमच्या या राष्ट्राचे किर्तीमंदिर उभारण्यासाठी आमच्या हातून सतत सत्कृत्य घडण्याची आवश्यकता आहे. अर्थात सुवर्णाक्षरात लिहिलेला या ध्वजाचा तेजस्वी इतिहास हीच आमच्या या कार्याची प्रेरक शक्ती आहे. आम्ही आमच्या राष्ट्रध्वजावरील अढळ निष्ठा उद्घोषित करतो, अर्थात त्याचे भवितव्य म्हणजेच आमचे भवितव्य असे मानतो. आमच्यापैकी प्रत्येक व्यक्ति या ध्वजाचे तेज आणि वैभव वाढविण्यासाठी हार्दिक प्रयत्न करील आणि त्या प्रयत्नातूनच आम्ही आमच्या ध्वजाला राष्ट्रमंडळात उंच आणि मानाने फडकवू. जय-हिंद !
